€390.000

Location

Los Altos de los Monteros is a prestigious residential community in Marbella, which has the necessary equipment and infrastructure to enjoy the best quality of life. Located only 5 km from Marbella, nestled in natural areas that offer the perfect combination of beach and mountain, offers forest areas and foot trails to enjoy the peace and beauty of the environment.

Complex

In this new development, you will enjoy spacious homes that, thanks to a carefully planned architectural approach, each and every one of them will have spectacular views of the Mediterranean Sea. Nature, tranquility, beauty, soft breeze and stunning views of the sea would summarize the environment of this unique and privileged development.

Apartments

The apartments with 3 and 4 bedrooms offer stunning views of the sea.

- Spectacular sea views
