New Development Real de La Quinta, Benahavis

Nieuwbouw

Location

Located in higher reaches of Real de La Quinta with south or southwest orientation to optimise access to the Mediterranean sun from sunrise to sunset, and to make the most of the wonderful views.

Complex

There are 90 apartments in total, in 12 buildings of just 3 storeys, with no more than three apartments per level. Each has 2 or 3 bedrooms, the latter with an extra toilet.

Apartment

Bespoke interior and exterior finishes embrace and reflect traditional materials and designs including Arab tiles, stone and wood. These are set in a modern context where concrete, glass and 21st Century technologies are effortlessly incorporated into both building design and the landscape.
