The ground floor offers a spacious open plan living and dining area, high ceilings (3 m), a fully equipped island kitchen, cloak room, guest bathroom and wardrobe. A double sided gas fireplace with natural stone finishing separates the living and dining area. Both areas are fitted with floor-to-ceiling windows and sliding doors giving direct access to the covered terraces, infinity pool, landscaped garden and pergola area, again all with the panoramic views.

On the lower floor (basement) there is a stunning glass separated wine cellar, guest room with bathroom en suite and a multifunctional room which can be easily converted into a gym, wellness, home cinema or extra bedrooms. There are also some technical rooms with separated access from outside.
